

accounting standard. We will continue to engage with the International Accounting Standards Committee Foundation Trustees as they work to monitor the due process and the transparency.

**Notes to Editors**

The members of the Monitoring Board are, at this moment, the Chairmen of the Emerging Markets and Technical Committees of the International Organization of Securities Commissions (IOSCO), the Commissioner of the Financial Services Agency of Japan (JFSA), and the Chairman of the US Securities and Exchange Commission (SEC). The Chairman of the Basel Committee on Banking Supervision participates in the Monitoring Board as an observer. Through the Monitoring Board, securities regulators that allow or require the use of IFRS in their jurisdictions will be able to more effectively carry out their mandates regarding investor protection, market integrity, and capital formation.
